S I R:

Transmitted herewith is a Request for a Certificate of Correction for above-identified U.S. Patent. Patentee respectfully requests the approval of the attached Certificate of Correction which will bring the above-identified patent into conformity with the patent as the Examiner and Patentee intended that the patent would issue. Upon reviewing the Letter's patent, patentee noted the following typographical errors in the claims

Claim 6, line 2: change "tub" to the correct --tube--;

Claim 11, line 2: change "m" to the correct --in--.

A review of the file wrapper confirms that the error was made in the printing of the patent since the recorded assignment as well as the PTO-form PTOL-85b correctly indicate the name of Assignee.

Since these errors for which a Certificate of Correction is sought are the result of Patent and Trademark Office mistakes, no fee is due (35 U.S.C. §254).

Respectfully submitted,

By:
